WYOMING STOCK MARKET FREAKS
SALT LAKE, Dec. 22.—(Special.)—There is no Oregon or California mail since week. The snow has been falling for weeks. The weather now is clear, and beautiful, but the wind is still blowing.
Stocks.—From interviews with cattle men we estimate the loss of cattle at 50 per cent, and sheep 90. If the weather had been somewhat milder, the winter would not be getting frozen much when the snow is at a minimum. Things will not be very bad, as they are now, but the loss of the winter is not as bad as it used to be. Heavy clouds are coming in the west denote a change of wind.
